Amend Section 80077.2 to read:

80077.2 CARE FOR CLIENTS WHO RELY UPON OTHERS TO 80077.2
PERFORM ALL ACTIVITIES OF DAILY LIVING (Continued)

(b) Prior to accepting a client into care, the licensee shall complete the following: (Continued)

(2) A Needs and Services Plan, as required by the facility-specific regulations, that includes all of the following: (Continued)

(G) A description of the client-specific training that facility staff will receive.

1. The training must be provided by the client's health care provider (physician or nurse), the client's physical or mental health therapist, social worker, and placement worker, within their individual scopes of practice, ~~in the following areas:~~

~~1. Client needs.~~

2. The training must include the client's needs and objective symptoms indicating that indicate when the licensee is to contact obtain health care and or other type of assistance.

3. In an ADCF or ADSC, the training may be provided by the client's primary ~~care-giver~~ caregiver, including the client's family or the administrator of the client's residential or health facility providing the primary caregiver has received training as specified in Sections 80077.2(b)(2)(G)1. and 2..

(H) In an ARF or SRF, an agreement, signed by the ~~Regional Center or other~~ placement agency, or authorized representative, to review the client's care at least once a month. A copy of the agreement shall be maintained in the client's file. (Continued)

~~(d) If the client has one or more of the restricted health conditions specified in Section 80092, the licensee shall also comply with all requirements of Article 8.~~

Authority Cited: Section 1530, Health and Safety Code.

Reference: Sections 1501, 1507, and 1530, Health and Safety Code.

Amend Section 80077.3 to read:

80077.3 CARE FOR CLIENTS WHO LACK HAZARD AWARENESS 80077.3
OR IMPULSE CONTROL

- (a) If a client requires protective supervision because of running/wandering away, supervision may be enhanced by fencing yards, using self-closing latches and gates, and installing operational bells, buzzers, or other auditory devices on exterior doors to alert staff when the door is opened. The fencing and devices must not substitute for appropriate staffing.
(Continued)
- (2) The licensee of an ARF, GH, SFH, FFH, or CFH may use a delayed-egress device if the client lacks hazard awareness or impulse control and only as specified in Health and Safety Code Section 1531.1 ~~and as long as the facility complies with Residential Care Facility for the Elderly RCFE regulation Sections 87101(d)(2) and 87724(e).~~
(Continued)
- (3) The following initial and continuing requirements must be met for the licensee to utilize delayed egress devices on exterior doors or perimeter fence gates:
- (A) The licensee shall notify the Department immediately after determining the date that the device will be installed.
- (B) The licensee shall ensure that the fire clearance includes approval of delayed egress devices.
- (C) Following the disaster and mass casualty plan specified in Section 80023, fire and earthquake drills shall be conducted at least once every three months on each shift and shall include, at a minimum, all facility staff who provide or supervise client care and supervision.
- (D) Without violating Section 80072(a)(6), facility staff shall attempt to redirect a client who lacks hazard awareness or impulse control and who attempts to leave the facility.
- (E) Clients who continue to indicate a desire to leave the facility following an egress delay shall be permitted to do so.
- (F) Without violating Section 80072(a)(6), facility staff shall ensure the continued safety of clients when they leave the facility.

- (G) The licensee shall report to the Department, to the client's responsible representative, if any, and to any family member who has requested notification, each incident in which a client leaves the facility unassisted. The report shall be made by telephone no later than the next working day and in writing within seven calendar days.

Repeal Section 80095 to read:

80095 CLIENTS IN CARE AT TIME OF FINAL ADOPTION
 OF REGULATIONS

80095

- (a) ~~If a client in care at the time of final adoption of these regulations has a prohibited health condition the client may remain in the facility for up to six months after these regulations are adopted as final regulations if retention of the client will not endanger the client's or other clients' health, safety, or welfare.~~
- (b) ~~The Department may grant an exception to allow the client to remain in care of the facility for an additional six months if:~~
 - (1) ~~The condition requiring the client to be relocated is temporary and, according to the client's physician, is expected to be resolved within the additional six month period, or~~
 - (2) ~~The client has identified a facility to which the client prefers to be permanently relocated, but the new facility cannot take the client into care within the first six month period and will commit to accepting the client into care within the additional six month period.~~
- (c) ~~The licensee may request a Department review of a denial of an exception by completing the following:~~
 - (1) ~~A written request for a review.~~
 - (2) ~~The reason(s) the licensee disagrees with the denial.~~
 - (3) ~~Documentation of the client's current medical records, including prognosis, current medical assessment, Needs and Services Plan, and any modifications to the Needs and Services Plan.~~
 - (4) ~~The licensee's plan for ensuring that the client's health-related needs are met by the facility.~~
 - (5) ~~The licensee's plan for minimizing the impact on other clients.~~
- (d) ~~Clients currently residing in an adult CCF pursuant to an agreement or court order with the Department, may remain in care of that facility until the agreement or court order is modified with approval of the parties or the court.~~
